

Cambridge Exiles 10 V March Bears 10

March traveled to Cambridge not knowing what to expect from a side that had been showing indifferent form over the past few weeks.

What they came up against was a well drilled Exiles side, Again March started the game slowly with poor tackling, and giving away to many penalties, enabled Exile's to slot home first points of the game.

With March struggling to contain the Exile forwards in loose play, Exile's went further ahead with a converted try to take a 10 – 0 lead into half time.

Stern words from captain Andy Larham at half time appeared to work wonders, as March now 'turned up' for the game.

From the kick off March forced Exiles to defend rigorously, only to concede a penalty, which Capt Larham slotted over. This lifted March who started to play some good attacking Rugby, with equally defending from a well-organized Exile's defense.

With the game flowing from end to end, March desperate to score points, Exile's hoping to kill off the game, March's speedster Jason 'Rambo' Rainbow intercepted a pass from 80 mtrs out and out paced the home side defense to touch down under the posts, which saw Larham convert to even the scores 10-10.

With the game hanging on a knives edge for the last 10 mins when both sides had the chance to win the game, final whistle went with both sides sharing the spoils of the game at 10 points apiece.

This Saturday March entertains Newmarket 2nds at the BRAZA sports field, hoping to finish 2007 with a home win. KO 2.30pm, the game coincides with the VP's lunch.
