

MARCH BEARS RUFC

Website – www.marchbearsruffc.org.uk

The new season is about to begin for March Bears, and I write to encourage you to renew your membership as a Vice-President. As I am sure you are aware, the Club needs and values your support, both financial and in attending matches and functions.

This year, we are moving forward and are fielding four different teams: the First and Second XV, as in previous years, who have a full programme of league and friendly matches scheduled. The First XV have transferred leagues this year, to the Midlands 6 East league, which greatly reduces the amount of travelling required to matches. The Veterans side has already got several matches arranged, (anyone interested in making a comeback?) and we have a Colts (U19s) side too!

In addition, the social side of the Club is growing, with several exciting functions planned for members over the next few months. We are in the process of producing a New Club Handbook, which is free to all members.

I would like to remind you that the subscription to the Vice-Presidents' includes entry to Bears functions, preferential rates when booking the clubhouse, a Handbook and, of course, the possibility of purchasing tickets for International matches. Also, production of your Membership card will entitle you to discounts at various outlets in the town.

With all of this on offer, can you afford not to renew your membership or become involved? Please fill in the form today and send it, with your donation, to me at the address at the bottom of this letter. Cheques should be made payable to March Bears RUFC and all donations or sponsorship will be acknowledged. If, on the other hand, you decide that you no longer wish to receive mailings from us, a notification to this effect will ensure you are not troubled again.

Thank you for your past support and I look forward to welcoming you back as a Member this year.

Yours sincerely
